

Annex 5 to the Corporate Account Agreement: Product Sheet - Corporate Account

This document contains information or refers to other documents, in particular the General Business Terms and Technical Information, both available at www.citfin.cz. It specifies the terms and conditions and method for fulfilment of the Corporate Account Agreement, whose subject matter is the maintenance of a corporate account ("Account") for the Client and the provision of payment services using the Account.

This document contains information that Citfin is obliged to make known to the Client when providing payment services under the Payment Systems Act and the Credit Unions Act. Citfin will provide the Client, upon request, with the information specified in the Payment Systems Act in a paper document.

Unless otherwise specified, consult the GBT for the definition of capitalized terms.

Order – Foreign Exchange Trade that is concluded as a Spot Trade and is automatically executed when a pre-agreed exchange rate is reached. <ul style="list-style-type: none"> TAKE PROFIT ORDER – an order to automatically purchase/sell currency on behalf of a Client at a desired exchange rate. For example, when buying foreign currency, the order will be placed at below the current market exchange rate. STOP LOSS ORDER – an order to automatically purchase/sell currency on behalf of a Client at the worst exchange rate acceptable by the Client. For example, when buying foreign currency, the order will be placed at above the current market exchange rate. Combination of TAKE PROFIT Order and STOP LOSS Order – both types of orders can be used in combination with each other. <p>A Spot Trade is concluded through either Citfin's Dealing Department or BankServis application in accordance with the General Business Terms and Technical Information.</p>
Service-related costs and fees	Information on fees for services is provided in the Corporate Account Agreement and Price List.
Requirements for the execution of payment services	The details for the execution of the payment services such as the form, the procedure for entering/submitting the Payment Order and the moment of its entry/submission are set out in the Technical Information.
Interest on funds	The Corporate Account Agreement and Price List both set out information on interest accruing on funds in the Account.
Time limits for the execution of payment services	See below.
Information on payment means and liability for Unauthorised and Incorrectly Executed Payment Transactions	Information on the issuance of a payment means/instrument, the terms and conditions of liability for loss from an Unauthorised or Incorrectly Executed Payment Transaction and the procedure for resolving them, as well as information on the terms and conditions of corrective settlement are set out in the GBT and Technical Information.
Technical Information	Information on technical requirements for the Client's devices is provided in Technical Information.

Options for amending and terminating the Corporate Account Agreement	The Corporate Account Agreement permits Citfin to amend it and the General Business Terms. It is concluded for an indefinite term. Either the Client or Citfin is entitled to withdraw from the Corporate Account Agreement in accordance with the procedure set out therein or in the General Business Terms.
Applicable law and settlement of disputes	The Corporate Account Agreement and General Business Terms have provisions on governing law and the method for resolving disputes and they also address out-of-court settlement of disputes.
